RoHS Declaration

Allen & Heath Ltd is committed to complying with all applicable laws and regulations, including the European Union's Restriction of Hazardous Substances (RoHS) directive. We can declare that all Allen & Heath branded products placed on the market since 1st June 2008 have been manufactured in accordance with the following substance restrictions:

RoHS Directive (2002/95/EC)

The Restriction of Hazardous Substances in Electrical and Electronic Equipment (RoHS) Directive was passed into law by the EU. It affects manufacturers, sellers, distributors and recyclers of EEE (Electrical and Electronic Equipment) containing Lead, Cadmium, Mercury, Hexavalent Chromium, Polybrominated Biphenyl (PBB) and Polybrominated Diphenyl Ether (PBDE). As of July 1st 2006, the use of these materials has been restricted in new products sold in Europe.

China RoHS - Control of Pollution Caused by Electronic Information Products

All Electronic Information Products that are sold in the People's Republic of China are marked with pollution control logos in accordance with the requirements set forth in SJ/T11324-2006, "Marking for the Control of Pollution Caused by Electronic Information Products." Products marked with the 'e' logo contain no hazardous substances or elements above the requirements listed in SJ/T11363-2006, "Requirements for Concentration Limits for Certain Hazardous Substances in Electronic Information Products." Products marked with an Environmentally-Friendly Use Period (EFUP), in this example 10, contain hazardous substances or elements above the requirements.
