

ORDERING AN ML4000 SPARES KIT

It is recommended that the spares kit order code **002-699** is held and maintained by the service agent to enable in-field service repairs to the **ML4000** independent of the ALLEN & HEATH factory. Commonly available items such as resistors, capacitors, tools and soldering equipment are not included. The contents of the kit are listed below and are supplied in a cabinet of drawers. Individual spare parts may be ordered. Please quote the description and order code for the part required.
