### Regulation (EC) 1907/2006

Statement issued: 20<sup>th</sup> February 2020  
Products Covered: All products manufactured by Allen & Heath Ltd.

REACH (registration, Evaluation, Authorization and restriction of Chemicals, EC1907/2006) is the European Union's chemical substances framework.

Allen & Heath Ltd. is neither a manufacturer nor an importer into the EU of chemical substances. REACH therefore defines Allen & Heath Ltd. as a "**Downstream User**" (DU) of chemical related products used in our manufacturing operations and as a "**Distributor**" (Re-Seller) for those products manufactured for Allen & Heath Ltd. and sold-on by Allen & Heath Ltd. to our distributors and downstream (end) users.

REACH requires Allen & Heath Ltd. to provide customers with sufficient information on Substances of Very High Concern (SVHC) contains in products in concentration above 0.1% weight by weight to allow safe use of the product.

To comply with this regulation, Allen & Heath Ltd. certifies that to the best of its knowledge all products that it manufactures and supplies do not contain substances listed on the Candidate List of Substances of Very High Concern in a concentration above 0.1% weight by Weight.

#### Validation Method

Allen & Heath Ltd. Has received confirmations from our suppliers that no SVHCs' are included in articles supplied to Allen & Heath Ltd.
