

Released Engineering Change Notice

Product	I-Live 80, 112, 144, 176
Title	Masking Change on Fader Panel
Date	25/06/2007

Details Of Change
To alter the masking on the I-Live fader panels AA5798, AA6367, AA6371, AA6643 to allow the fader panel to be assembled more easily in to the mid extrusion. The change is to extend the current masking on the safe edge over the top of the edge and down the front of the panel by 2mm. As discussed and agreed with Gary Goss.

Reason for change
To ease assembly and reduce assembly time in production.

This ECN supersedes ECN No.		Related ECNs
