Additional Information
<p>Syslink Set pcb AG6940 to be up-issued to Issue 3. AG6940 incorporates 3 snap-off pcb`s and all modifications to Issue 1 are now incorporated in new issue.</p> <p>Please note- 2 green wires 220mm still to be hand-fitted- see photo. An error in ECN1435 stated that an additional 100K smd resistor to be included- it should be 100K through-hole component (fitting instructions AP7007 included with Packing assembly)</p>
