

Released Engineering Change Notice

Product	iLive T
Title	Change LCD insulator AA7629 to stop 'oily' marks.
Date	09/12/09

Details Of Change
To increase the size of the LCD Insulator AA7629 by 4mm. The insulator needs to be increased in size on the bottom edge (towards the LCD window).

Reason for change
The insulator will be used as a spacer to keep the acrylic window and glass of the LCD from making full contact. This is stop the appearance of the oily marks.
