

# GL3800 Internal Layout

(GL3800-824B shown)

Product .....GL3800-824m  
 .....GL3800-832m  
 .....GL3800-840m  
 .....GL3800-848m

m = .....  
 A ..... All mono channels  
 B ..... 4 stereos to right of masters  
 C ..... 4 stereos on right of console  
 D ..... 8 stereos on right of console

Mono Connector PCB .....	003-228
Stereo Input PCB .....	003-438
Group Odd PCB .....	003-439
Group Even PCB .....	003-440
Master Sub PCB.....	003-356
Group Matrix PCB .....	003-441
Master Right PCB.....	003-443
Master Connector PCB .....	003-368
Master Left PCB .....	003-442
Master Distribution PCB .....	003-444
Stereo Connector PCB.....	003-445
Power Connector PCB .....	003-450
Master Out Connector PCB.....	003-373
Mono Input PCB .....	003-437
Fader Biscuit PCB .....	003-396
SYS-LINK In PCB + Harness ...	003-460
SYS-LINK Out PCB + Harness	003-473
Meters 1-6 PCB.....	003-421
Meters Master PCB .....	003-455
